The Consortium has been granted permission to admit students in undergraduate engineering courses (B.E / B.Tech / B.Arch) in various private professional colleges under the Management Quota in the state of Tamilnadu on the basis of the marks obtained by the student in the relevant subjects in the qualifying examination by “**Committee to Regulate/Monitor the Admissions of Students to Professional, Arts and Science Colleges**”, Chennai ‘*vide*’ its Proceedings No. COA / Engineering / 032 / 2025, dated 23.06.2025.

1.2 A Candidate desirous to seek admission for Professional Courses under management quota must have passed the Higher Secondary Course (HSC) or equivalent examination and also those who will be appearing for the Instant Examination conducted by the State Board.

1.3 **Applying to Professional Courses (B.E / B.Tech / B.Arch) Admissions 2025 under management quota does not confer on the person the right of eligibility for admission to any of the Professional Courses. The decision on the eligibility of the candidates for admission to a course entirely rests with the respective authorities.**

1.4 The admission shall be made on the basis of the rank list drawn which includes the academic marks obtained in the relevant subjects in the qualifying examination after normalization of marks.

1.5 The courses under the category of engineering and technology.

B.E / B.Tech / B.Arch courses in the self financing institutions affiliated to Anna University.

1.6 MODE OF SELECTION

(a) **Admission to General Category :**
The selection of candidates will be on the basis of the marks they have obtained in the prescribed subjects in the qualifying examination.

The academic marks in the prescribed subjects will be reduced to a base of 200. (Mathematics for 100, Physics + Chemistry for 100). Ranking of the candidates will be done based on the total marks to a maximum of 200.

Normalization of Marks and Inter-se Merit :

Tamil Nadu Acts No.3 of 2007, dt.: 5th March, 2007 and G.O. (Ms). No. 77, Higher Education (J2) Dept., dt.: 5th April, 2007 the marks obtained by the students in the relevant subjects in the qualifying examination conducted by various Boards or Authority shall be equated with the marks obtained by the students in the same subjects in the qualifying examination conducted by the State Board of Tamil Nadu by adopting the method of normalization. (e.g) if the highest marks secured by the student of State Board of Tamil Nadu in Physics is 100 and the highest marks secured by a student of any other Board in the same subject is 90 both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below :

$$\frac{100 \times 60}{90} = 66.66\%$$

After normalization of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students of different Boards shall be merged into a common merit list.

A merit list will be prepared based on the total marks of 200. In cases where more than one Candidate have got the same marks in the common merit list, the inter-se merit among such Candidates shall be determined in the order of priority as specified below :

- (1) Percentage of marks in Mathematics,
- (2) Percentage of marks in Physics,
- (3) Percentage of marks in the Fourth optional subject, (4) Date of Birth, (5) Random number assigned (higher value will be given preference).

The overall rank lists will be published in the web site of Consortium of Self - Financing Professional, Arts and Science Colleges in Tamilnadu, Chennai at **www.tnsfconsortium.org** and the copies of the overall rank list will be made available for member colleges and Committee to Regulate/Monitor the Admissions of Students to Professional, Arts and Science Colleges. The candidates will also be informed of their rank individually by certificate of post.
